The witness had heretofore testified that the West Nashville Land Company had paid him \$2,000 commissions when the State had bought the company's property for a farm, and on being again examined yesterday testified that of this sum he paid to Adjutant-General John A. To-day these two officials resigned, and their resignations were accepted by Governor Turney. The investigation is held behind closed doors, but the testimony as to the \$2,000 is correct. Further developments are anxiously awaited, and the charges against the two officials and their resignations have created a decided stir and sensation. Adjusant General Fite is said to admit receiving the money, and that he will go before the investigating committee and fully explain the affair. Mr. Estill also claims that he can make a clean showing.
